EXPERIENCE

Control Union Ltda. – Junior Quality Inspector — Aug 2024 — Present
Santos - SP&M

- Assisted in the classification of soybeans and corn in various modalities (road, rail, and maritime).
- Ensured accuracy in measurements and adherence to quality standards.
- Collaborated with logistics teams to optimize grain receiving and shipment processes.

SGS Ltda – Junior Inspector — Jul 2024 – Jul 2025
Santos - SP

- Conducted inspection and classification of grains in different modalities (road, rail, and maritime).
- Maintained high precision in measurements and compliance with international quality standards.
- Worked closely with logistics and operations teams to streamline inspection procedures.

Óticas Prevent – Sales Assistant — Sep 2023 – Jul 2024
Guarujá - SP

- Delivered after-sales support, including product adjustments, repairs, and customer assistance to ensure satisfaction and loyalty.
- Gained experience in basic sales operations and administrative support.

CAREER OBJECTIVE

My goal is to grow in the technology field, contributing with dedication and a strong willingness to learn. I have been developing skills through courses in Cloud Computing (AZ-900), HTML/CSS, UX Design, Technical Writing, Phyton projects and English, providing me with a solid foundation to collaborate on projects and grow professionally within the team.

PROJECTS

PORTIFÓLIO Web | *HTML, CSS3 and JS* — October, 2025

- This website showcases my personal portfolio, highlighting my skills, projects, and creative designs. It was developed using HTML, CSS, and JavaScript to demonstrate my growing abilities in front-end development and web design. The site also includes information about my background, technical knowledge, and passion for continuous learning in technology.
- Implemented GitHub OAuth to get data from user's repositories
- Visualized GitHub data to show collaboration

Simple Calculator | *HTML, CSS3 and JS* — may, 2025

- This calculator project was developed using HTML, CSS, and JavaScript. It performs basic arithmetic operations with a clean and responsive interface, showcasing my understanding of front-end development, logic implementation, and user-friendly design.
